Additional Terms: Service providers supplying emergency roadside assistance and towing are independent contractors and are solely liable for their services. You are responsible for any roadside assistance or towing charges incurred by facilities responding to your request even if you are not with your vehicle or your vehicle is gone upon their arrival. Services provided by United States Auto Club, Motoring Division, Inc. Current fee for a standard service call is $69.95. Service call fees are subject to change at any time; however, callers will be notified prior to any service dispatch. This program may be discontinued at any time without prior notice. Program void where prohibited.
